Welcome and announcements by the Town Mayor.

The Town mayor commented that it was welcoming to see all Members present. He advised that he and the Mayoress had attended the pantomime Jack and the Beanstalk, produced by To The Stage Productions which was excellent.

Shortly afterward they attended the Dick Whittington pantomime staged by Llangollen Pantomime Group. Again, it was of a very high standard and showcased the strong young talent in our local area. The professionalism on stage was impressive. Along with many other Councillors he attended the online session with Ben and Wilcox Jones to discuss the Active Travel route. The Town Mayor also highlighted a new initiative called the UK Town of Culture, a competition aimed at restoring pride in communities. Towns are invited to submit an expression of interest, explaining their unique story, how they will bring their community together, and how they will deliver their vision. An expert panel led by Sir Phil Redmond will assess the bids. The strongest submissions will be shortlisted. Each shortlisted town will receive £60,000 to develop a full bid. Three finalists will be selected. One small town, one medium town, and

cynnig llawn. Dewisir tri ymgeisydd terfynol. Un dref fach, un dref ganolig, ac un dref fawr. Bydd yr enillydd yn cael ei choroni'n Dref Diwylliant y DU 2028 a bydd yn derbyn £3 miliwn. Bydd y ddau sy'n dod yn agos at y brig yn derbyn £250,000 yr un i gyflawni elfennau o'u cynigion. Y dyddiad cau ar gyfer mynegi diddordeb yw 31 Mawrth. Yn dilyn trafodaethau gyda'r Clerc, dywedodd y Maer ei fod yn credu y byddai hwn yn gyfle gwych i'n tref ni, gyda'i nodweddion unigryw, hunaniaeth ddiwylliannol gref, a grwpiau cymunedol gweithredol. Dywedodd fod hyn yn rhywbeth y dylai cyngor y Dref ei ddilyn gyda chefnogaeth grwpiau cymunedol lleol ledled y dref. Mae hwn yn gyfle cadarnhaol, ac roedd yn hyderus y gellid cyflwyno cais cryf.

Cyflwyniad.

Ms Cheryl Hughes, Ysgolion sy'n Canolbwyntio ar y Gymuned

Esboniodd Ms Hughes fod Ysgolion sy'n Canolbwyntio ar y Gymuned yn ymwneud ag ysgolion, teuluoedd a chymunedau yn cydweithio er budd y plentyn. Y plentyn sydd wrth wraidd popeth a wnawn. Mae Llywodraeth Cymru eisiau i bob ysgol yng Nghymru fabwysiadu'r model hwn. Mae'n defnyddio dull amlasiantaeth i feithrin perthnasoedd cryf, dibynadwy â theuluoedd ac aelodau'r gymuned trwy gydweithio ac arweinyddiaeth a rennir. Mae ysgolion yn defnyddio adnoddau lleol. Mae hyn yn cynnwys cynghorau tref, teuluoedd, grwpiau cymunedol, a gwasanaethau lleol. Y nod cyffredin yw gwella presenoldeb, cyrhaeddiad, dyheadau, a chanlyniadau hirdymor i bobl ifanc, yn enwedig yma yn Llangollen. Nod Ysgolion sy'n Canolbwyntio ar y Gymuned yw newid sut mae teuluoedd yn

one large town. The winner will be crowned UK Town of Culture 2028 and will receive £3 million. The two runners up will each receive £250,000 to deliver elements of their proposals. The deadline for expressions of interest is 31 March. After discussions with the Clerk, the Town Mayor believe that this a opportunity for our town with its unique features, a strong cultural identity, and active community groups. He stated that this was something the Town council should pursue with the support from local community groups across the town. This is a positive opportunity, and he confident that a strong application could be put forward.

Presentation.

Ms Cheryl Hughes, Community Focused Schools

Ms Hughes explained that Community Focused Schools are about schools, families, and communities working together for the benefit of the child. The child remains at the centre of everything we do. Welsh Government wants all schools in Wales to adopt this model. It uses a multi agency approach to build strong, trusted relationships with families and community members through collaboration and shared leadership. Schools draw on local resources. This includes town councils, families, community groups, and local services. The shared goal is to improve attendance, attainment, aspirations, and long term outcomes for young people, particularly here in Llangollen. Community Focused Schools aim

ymsgysylltu ag ysgolion. Nid dim ond pan fydd problem y cysylltir â rhieni. Maent yn cael eu croesawu i ddathlu llwyddiant a phrofiadau cadarnhaol. Blaenoriaeth allweddol yw mynd i'r afael ag effaith tlodi ar addysg a chodi dyheadau. Mae angen i bobl ifanc weld bod cyfleoedd a gyrfaedd yn bodoli'n lleol. Nid oes angen iddynt adael yr ardal i lwyddo. Mae'r dull hwn yn cefnogi anghenion cymdeithasol, emosiynol ac anghenion ieuchyd drwy gael mynediad at wasanaethau cydlynol, cymorth i deuluoedd, a chynlluniau dysgu personol. Mae hyn yn cynnwys Dysgu Oedolion Cymru, Teuluoedd yn Gyntaf, gwasanaethau ieuenctid, a darpariaeth leol arall.

Mae swyddogion ymsgysylltu â theuluoedd yn gweithio'n uniongyrchol gyda rhieni i gefnogi dysgu gartref, meithrin hyder, a datblygu sgiliau. Rydym hefyd yn cydnabod heriau gwledig. Gall trafnidiaeth a mynediad at wasanaethau fod yn rhwystrau. Mae cymorth ymarferol i ddysgu oedolion yn helpu i leihau'r rhwystrau hyn ac adeiladu annibyniaeth. Mae ysgolion yn gweithredu fel canolfannau cymunedol. Defnyddir eu cyfleusterau ar gyfer dysgu oedolion, lles, chwaraeon, diwylliant a gweithgareddau cymunedol. Mae ysgolion hefyd yn cyfeirio teuluoedd at wasanaethau lleol, gan gynnwys llyfrgelloedd a chanolfannau cymunedol. Mae partneriaethau cymunedol cryf yn cryfhau ymsgysylltiad teuluoedd, yn dod ag adnoddau ychwanegol i ysgolion, ac yn fuddiol i ddysgwyr, teuluoedd a'r gymuned ehangach fel ei gilydd. Mae'r ystyr yn glir, yn broffesiynol, ac yn gryno. Gorffennodd Ms Hughes ei chyflwyniad drwy ddweud y byddai

to change how families engage with schools. Parents are not only contacted when there is a problem. They are welcomed in to celebrate success and positive experiences. A key priority is tackling the impact of poverty on education and raising aspirations. Young people need to see that opportunities and careers exist locally. They do not need to leave the area to succeed. This approach supports social, emotional, and health needs through access to coordinated services, family support, and personal learning plans. This includes Adult Learning Wales, Families First, youth services, and other local provision.

Family engagement officers work directly with parents to support home learning, build confidence, and develop skills. We also recognise rural challenges. Transport and access to services can be barriers. Practical adult learning support helps reduce these barriers and build independence. Schools act as community hubs. Facilities are used for adult learning, wellbeing, sport, culture, and community activities. Schools also signpost families to local services, including libraries and community centres. Strong community partnerships strengthen family engagement, bring added resources into schools, and benefit learners, families, and the wider community. ??? the meaning clear, professional, and concise. Ms Hughes finished her presentation by saying, that working with the Town council would be effective to identify the gaps within the community to explore

gweithio gyda Chyngor y Dref yn ffordd dda i nodi'r bylchau yn y gymuned ac i archwilio sut y gallwn gefnogi pobl ifanc a theuluoedd yn well. Rhan o'i rôl yw gweithio nid yn unig gyda myfyrwyr ac ysgolion, ond gyda theuluoedd a'r gymuned ehangach gyda'r nod o fod o fudd i'r gymuned gyfan.”

Introduced the Little Learning Company a training provider delivering grant funded and commercial programmes across Denbighshire, Wrexham, Conwy, and Flintshire. In Denbighshire, they were delivering an SPF funded Heritage Skills Partnership project. The focus is heritage crafts, construction, and engineering, working closely with Llangollen Railway and local partners. The project supports young people and adults. It builds skills, confidence, and clear routes into employment and further learning. Ms Wright advised that they had trained over 40 local people through Train the Trainer and Level 3 Education and Training qualifications. Many are now delivering paid learning or working within the heritage sector. The project is open to anyone aged 11 plus who lives, works, or volunteers in Denbighshire and supports those facing barriers such as low confidence, anxiety, or unemployment through mentoring and one to one support. Several learners have moved into self-employment or started businesses. The company works with schools and community venues across the county, increasing engagement, footfall, and local partnerships. Ms Wright highlighted the a key Llangollen project being delivered

Datganiadau gan Gynghorwyr Sir.

Siaradodd y Cynghorydd Karen A. Edwards am y cynllun teithio llesol, gan nodi bod y diwrnod cyntaf wedi bod yn anhrefnus, gyda nifer o gwynion am reoli traffig. Cododd bryderon gyda swyddogion a chysylltiadau cyhoeddus, gan arwain at ddatganiad hwyr ac annigonol i'r wasg. Mae swyddogion bellach ar y safle yn gweithio gyda chontractwyr i wella lleoliad goleuadau traffig ac archwilio'r posibilrwydd o'u gweithio â llaw ar adegau brig. Mae rhywfaint o aflonyddwch yn anochel oherwydd cynllun yr ardal. Cododd yr Aelodau bryderon ynghylch cyfathrebu gwael â busnesau a thrigolion lleol. County Councillor statement.

Cllr Karen A. Edwards reported on the active travel scheme, noting that its first day had been chaotic, with numerous complaints about traffic management. She raised concerns with officers and public relations, resulting in a late and insufficient press statement. Officers are now on site working with contractors to improve traffic light positioning and explore manual operation at peak times. Some disruption is unavoidable due to the area's layout. Members raised concerns about poor communication with local businesses and residents. A nursery owner reported receiving only minimal notification, despite significant impacts on parking, safety, and access. Members

Gofynnodd yr Aelodau, o ystyried ei llwyth gwaith hi, pam nad oedd cynlluniau manwl wedi'u cyhoeddi gan arweinydd y prosiect, Ben Wilcox Jones. Dywedodd yr Aelodau unwaith eto fod yn rhaid i swyddogion rannu gwybodaeth ddylunio i dawelu meddwl trigolion a busnesau. Cytunodd Clerc y Dref i gysylltu â'r Cyngor Sir i ddarparu arddangosfa gyhoeddus o'r gwaith arfaethedig, gan ddangos cynlluniau, effeithiau disgwylidig, ac amserlenni i hysbysu trigolion a defnyddwyr ffyrdd yn well, - i helpu i reoli disgwyliadau, a thrwy hynny leihau nifer y cwynion a dderbynnir. Adroddodd y Cynghorydd Edwards newyddion mwy cadarnhaol: ar ôl sawl blwyddyn o lobïo, bydd dau swyddog gorfodi parcio newydd wedi'u lleoli'n barhaol yn ne'r sir. Yn dilyn taith ar droed o amgylch y dref gyda swyddogion, codwyd nifer o faterion parcio a thraffig a chadarnhawyd camau gweithredu. Bydd gorfodi'n canolbwyntio ar ddefnydd anghyfreithlon o faeau llwytho ar Stryd y Farchnad a Stryd y Bont, ac eglurhad o gynllun parcio i'r trigolion yn Stryd y Bont a Stryd y Capel. Derbyniodd swyddogion bod rhwystrau dros dro wrth gyffordd Stryd y Castell–Stryd y Felin yn amhriodol a byddant yn ystyried ail-alinio'r ffordd trwy leihau radiws y palmant. Bydd ail-wynebu Stryd y Dderw yn cynnwys llinellau melyn cadwraeth priodol, marciau ffordd wedi'u hadnewyddu ar Stryd y Castell, ac adolygiad o gyfyngiadau llwytho coll neu anghywir ar Stryd y

stressed that promised engagement with businesses and residents had not been delivered. Several councillors criticised Denbighshire County Council for inadequate public communication, Members questioned why detailed plans had not been published. the project lead, Ben Wilcox Jones, due to her workload, and reiterated that officers must share design information to reassure residents and businesses. The Town Clerk agreed to contact the County Council to provide a public display or exhibition of the proposed works, showing plans, anticipated impacts, and timescales to better inform residents and road users and help manage expectations, thereby reducing the volume of complaints received. Cllr Edwards reported some more positive news that, after several years of lobbying, two new parking enforcement officers will be permanently based in the south of the county. Following a site walk with officers, several parking and traffic issues were raised and actions confirmed. Enforcement will focus on illegal use of loading bays on Market Street and Bridge Street, and clarification of the residents' parking scheme for Bridge Street and Chapel Street. At the Castle Street–Mill Street junction, officers have accepted that temporary barriers are inappropriate and will consider realigning the road by reducing the pavement radius. Oak Street resurfacing will include appropriate conservation yellow lines, refreshed road markings on Castle Street, and review of missing or incorrect loading
