Ken Skates Am	Letter to Chair of Cittaslow Committee	Circulate at meeting for information.
Design Manager Works Unit. Highways and Environmental Services. Denbighshire County Council.	Welsh Government and NMWTRA have requested the County Council to progress with an extension of the current parking restrictions (double yellow lines) from their current end point, just west of the Cambrian Place junction through to the interface between the Riverside Park and the new Aldi Car park. The reason for these proposals is the complaints being received by WG & NMWTRA of congestions and pedestrian safety when cars are parked along this section of the A5, particularly in summer and at weekends. As part of the Permanent Traffic Regulation Order submission, I must seek the views of several stakeholders, local / community Councils being one. To this end I would be grateful if the Town Council could please review the proposition and reply with the Town Council's views at your earliest convenience.	Members to consider the consultation document and advise.
