## Auditor General's report and audit opinion

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2024 of **Llangollen Town Council**. My audit has been conducted on behalf of the Auditor General for Wales and in accordance with the requirements of the Public Audit (Wales) Act 2004 (the 2004 Act) and guidance issued by the Auditor General for Wales.

### **Audit opinion: Qualified**

Except for the matters reported below in my Basis for Qualification, on the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislative and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

### **Basis of Qualification**

#### **Accounting Statement**

I am unable to conclude whether or not the Accounting Statement properly/fairly presents the Council's receipts and payments/income and expenditure and financial position:

- The Council has recorded a precept for 2023-24 of £156,677. The actual precept paid to the Council was £155,677
- The Accounting Statement records a year end cash balance (line 9) of £218,688. The underlying Scribe accounting record shows a year end balance of £217,670. The Council's year end bank reconciliation reports a reconciled cashbook amount of £217,670.
- The Council insures the Town Hall for £4.8 million but the Town Hall is not recorded in the Council's asset register or included in its asset values reported in line 12 of £495,881. The Council's Scribe accounting asset register records the value of fixed assets as £485,726.
- The records relating the Town Hall lettings are insufficient to enable me to test the completeness and accuracy of hall letting income of £15,369
- I have been unable to confirm the clerk's salary to the contract of employment.

#### **Other matters and recommendations**

I draw the Council's attention to the following matters and recommendations which do not affect my audit opinion but should be addressed by the Council.

**Clerk’s salary**

The Clerk’s contract of employment refers to a salary scale of SCP23 – 29 on the 2012 scale. In 2019-20, the scale was changed and SCP29 became SCP23 and therefore the maximum pay point based on the contract is now SCP23.

The Clerk’s current pay exceeds SCP23 on the 2023-24 scale.

We recommend that the Council reviews staff salaries to ensure all staff are paid on a scale appropriate to the contracts of employment and where salary scales have been amended, these are clearly recorded and approved by the Council.

There are no further matters I wish to draw to the Council’s attention.
